#### REGULAR MEETING

May 15, 1995

President Rhonda Gibson called the Board meeting to order at 10:05 a.m., Monday, May 15, 1995 from the RDT studio at Southeast Tech in Sioux Falls, SD. Board members present: Rhonda Gibson and Bonnie Solem at the Southeast Tech studio, William Schlosser and Mary Miller at the School of Mines studio in Rapid City, SD. Executive Secretary Jamie L. Damon was also present at the Pierre Capitol studio. Others present included: Laurie Trinneer and Trish Kusser-Wendte at the Pierre studio, and Dianne Smith at the Sioux Falls studio.

Schlosser moved to approve the minutes of the January, 1995 meeting. Miller seconded, all in favor, motion carried.

#### New Business:

Professional Testing Corporation/National Assessment Institute: Damon informed the board that she had received a notice that the Professional Testing Corporation will no longer be handling the barber exam and that the national Assessment Institute would take over that service. Schlosser stated that North Dakota writes their own test and he questioned whether or not that could be an option for South Dakota. Damon stated that possibly North Dakota writes its own test on North Dakota rules, but from a legal standpoint it is not a good idea to use a board written practical exam. Gibson thought the cost of research and development of a board written exam would be prohibitive. Solem made a motion that the Board enter into a contract with National Assessment Institute to provide apprentice and master barber licensing exams. Schlosser seconded the motion, all in favor, motion carried.

NEW BOARD ATTORNEY: Damon informed the board that Mr. Grant Gormley has been assigned by the Attorney General's Office to be the attorney for the Barber Board.

#### Old Business:

CONSULTANT CONTRACT: Damon reminded the board that the Secretary of the Department of Commerce and Regulation had been reluctant to approve her one year contract with the barber board last October, based on the past years finances and the fact that the past two years the board had not been able to pay Damon for

the full year. Subsequently a six month contract was approved, which has now expired. Miller moved that the Board offer Damon a one year contract in the amount of \$700.00 per month to run from May 1, 1995 to April 30, 1996. Schlosser seconded the motion, all in favor, motion carried.

Schlosser questioned the time frame for shop inspections this year. Damon explained that the Association volunteered to help with inspections last year as the Board's financial situation prohibited the Board completing them. She also suggested that with Solem not wishing to be reappointed and not knowing where her successor would be coming from, they might want to wait for the July meeting to determine which board member would inspect which area of the state. Also, it might be in the board's best interest to conduct inspections in July and August when they will know which barbers and shops have not renewed. Schlosser moved that the inspection issue be tabled until the July meeting. Solem seconded, all in favor, motion carried.

NEXT MEETING DATE: The next meeting date is set for July 17, 1995 at Jamie L. Damon's office at 115 E. Sioux, Pierre, South Dakota.

ADJOURN. Schlosser moved and Solem seconded a motion to adjourn the meeting at 10:35 a.m. All in favor, motion carried.

Respectfully submitted,
